

Update on Cancelled Programs due to Covid-19

We understand many parents have questions about cancelled programs.

For our after-school program school club customers, we are planning to work with schools to reschedule missed classes once schools reopen.

For our schools who were anticipating our support with grade level workshops, we will contact you once schools are opened to reschedule your school's workshop day as soon as possible.

For birthday parties and other events outside of schools, we will work with you to reschedule your events once things get back to normal.

Please don't hesitate to contact us if you have any questions. Email is best at info@madscience-nc.com.
